During my first meeting with Dan, he came well prepared and I felt a good vibe working with him right away. He told me that he'd sell my house while I'd be away for 3 days to finalize my job relocation. I thought back then, that would be great but what a wishful idea. Dan took care of everything from getting the house professionally cleaned and photographed. He did a wonderful work with the posting, that within 24 hrs I had one or two full price offers. He was able to get me 4 above full price offers in 2 days. I was ecstatic!! He also advised me well with the selection process. Dan responds quickly and gives you updates through the whole deal. I only had 6 weeks before I needed to move for my new job and I got my house sold from posting to closing in 6 weeks or maybe less. All thanks to Dan. [Less](#) ^
